About Us

HARTEK[®]
Making Your Future Powerful[™]

Leading India's EPC Revolution

Hartek Group has been transforming India's energy sector since 1991, leading the way in **EPC solutions** for **Power Systems, Renewable Energy, and Power Distribution Products**.

As a key player in India's renewable energy transition, we've connected over 10 GW of solar power to the grid, reducing 300 million tonnes of carbon emissions. With 200 MWp of rooftop solar capacity installed, we offer turnkey solutions from site assessment to project commissioning, all while staying true to our purpose of **'Making your Future Powerful by building a brighter today.'**
