

Simarpreet Singh
Executive Director & CEO - Hartek Group

Mr. Simarpreet Singh is an Indian entrepreneur and business leader, currently serving as the Executive Director & CEO of Hartek Group—one of India's leading powers & renewable engineering, infrastructure companies. He is also the Founder of Hartek Solar (the roof top solar division) which ranks among the Top 10 rooftop solar companies in India.

Since joining Hartek Group in 2012, Simarpreet has played a transformational role in scaling the organization's operations from a regional entity to a respected national brand. He spearheaded the Group's entry into rooftop solar and manufacturing, both of which have become significant contributors to its growth. Under his strategic leadership, HARTEK today stands among the Top EPC players in India in Power Systems and Renewable Energy.

As CEO, he is responsible for overall business growth, strategic direction, operational excellence, expanding HARTEK's presence across domestic and global markets and driving the Group's vision of building a sustainable and future-ready India.

He has been widely recognized for his work at various national & international forums.

Simarpreet's accolades include:

- Forbes 30 Under 30 Asia – Clean Energy & Sustainability in 2019
- 3 time TEDx speaker
- Top 100 Most Powerful & Influential Sikhs in the World
- Top 100 Solar Leaders in India
- 40 Under 40 by SolarQuarter

He is also the host of the podcast “The Journey with Simarpreet Singh”, where he features changemakers and thought leaders across industries to inspire and empower India's youth. A passionate advocate for nation-building, sustainability, and youth empowerment, Simarpreet has delivered over 200+ keynote talks globally at universities, corporate platforms, and industry forums.

Simarpreet Singh holds a degree in BTech Electrical Engineering, Post Graduation from SPJIMR, Mumbai and is an alumnus of Harvard Business School (PLD 33).
