

Hartek Singh
Founder, Chairman, and Managing Director

Mr. Hartek Singh is the Founder, Chairman & Managing Director of Hartek Group, one of India's fastest-growing power and renewable infrastructure group. From humble beginnings in 1991 with just ₹7,500 in capital, he has transformed the company from an electrical equipment trading house into one of the leading & most respected Engineering, Construction companies of India. Today the group operates across the Power sector value chain, Power Systems, Renewables, Smart Cities & Power Distribution Product. Mr. Singh plays a central role in shaping the strategic direction, business expansion, and operational excellence of the Group

A commerce graduate from Delhi University, Mr. Singh began his professional journey as a sales representative. His entrepreneurial spirit, combined with deep market insight and unwavering resilience, has been instrumental in scaling the Group from a small trading house into a fully integrated engineering and manufacturing powerhouse having successfully taken the organization's footprint from a regional presence to national stature

Beyond business growth, Mr. Singh is focused on organizational culture and leadership development. He believes in building a people-centric organization that empowers young professionals, promotes entrepreneurial thinking, and delivers sustainable value to clients, stakeholders, and society at large.

Mr. Singh is also a respected voice in the industry and actively contributes to the growth and regulation of the power and infrastructure sector. He holds key positions in several industry bodies:

- IEEMA – Vice President, (2025- present)
- ELECRAMA 2027 – Chairman
- IEEMA National Executive Council Member (NEC) elected (2021– present)
- Chairman – IEEMA Northern Region (2019–2021)
- Chairman, ASSOCHAM Power & Renewables Committee (2016–2018)
- Member, Confederation of Indian Industry (CII)
- Member, World Punjabi Organization (WPO)
- Trustee, Sangat Sahib Bhai Pheru Sikh Educational Society (Dashmesh College)

His vision is to build Hartek Group into a globally respected Indian multinational—with a heart—anchored in values of humility, innovation, sustainability, and impact.
